AUDITORS' REPORT TO THE MEMBERS OF

OUTHOUSE LIMITED

FOR THE YEAR ENDED 31 DECEMBER 2001

We have audited the financial statements of Outhouse Limited for the year ended 31 December 2001 which comprise the income and expenditure account, balance sheet and related notes. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act, 1990. Our audit work is undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone, other than the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As described on page 3 the company's directors are responsible for the preparation of the Annual Report and the financial statements in accordance with applicable Irish Law and Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and Auditing Standards issued by the Auditing Practices Board in Ireland and the United Kingdom.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Acts. We also report to you whether in our opinion: proper books of account have been kept by the company; whether, at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company; and whether the information given in the Directors' Report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the company's financial statements are in agreement with the books of account.

We report to the members if, in our opinion, any information specified by law regarding directors' remuneration and directors' transactions is not given and, where applicable, include such information in our report.

We read the Directors' Report and we consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

OUTHOUSE LIMITED

DIRECTORS REPORT

FOR THE YEAR ENDED 31 DECEMBER 2001
AUDITORS' REPORT TO THE MEMBERS OF

OUTHOUSE LIMITED

FOR THE YEAR ENDED 31 DECEMBER 2001

Basis of audit opinion

We conducted our audit in accordance with Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We conducted our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. However, the evidence available to us was limited because the opening balances did not possess sufficient audit evidence on which we could rely for the purposes of our audit. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

Except for any adjustments that we might have found to be necessary had we been able to obtain sufficient evidence concerning the opening balances, in our opinion the financial statements give a true and fair view of the state of the company's affairs as at the 31 December 2001 and of its result for the year then ended and have been properly prepared in accordance with the Companies Acts, 1963 to 2001.

In respect alone of the limitation on our audit work relating to opening balances, we have not obtained all the information and explanations that we considered necessary for the purpose of our audit.

In our opinion proper books of account have been kept by the company. The financial statements are in agreement with the books of account.

In our opinion the information given in the directors report is consistent with the financial statements.
